- ▶ NO PAYMENT ACCEPTED AT THE RINK!
- ▶ All payments are through EntryEeze and subject to a 4% administrative fee.
- ▶ Current USFS membership, PSC liability and COVID waiver, and Lindsay’s Law forms required to skate on all sessions. You must be registered as a member or a guest on EntryEeze in order to purchase ice. The online registration contains these forms.
- ▶ 50% Deposit due with each Package of 10 sessions or more. Final 50% payment is due on **October 24**

- ▶ THERE WILL BE NO 30-MINUTE or 90-MINUTE SESSIONS. Sorry, you must purchase by the full-hour.
- ▶ “Half-and-Half” sessions may be permitted with monitor permission only if the following session is not full. Please select the FIRST session and sign up for that hour. The monitor may allow you to over into the next session. This allowance is intended to accommodate “after-school” skaters who may not be able to reach the rink and be fully ready for the 4PM session, or skaters who have lessons straddled over 2 sessions. It is NOT intended for weekend skaters who wish to sleep in or are “running late.” If this privilege is abused, it will not be offered in the future.
- ▶ Make-up Sessions: Contracted sessions must be cancelled through EntryEeze prior to the start of the session in order to receive credit to apply to a future session of club ice. Failure to cancel/remove session before ice start time will result in forfeiture of the ice with no make-up credit given. Please either de-select and “bank” the session or de-select and re-apply the credit to another future session.

- ▶ “Coupon Book” packages of 5 sessions can be purchased by members and associates at any time, do not expire, and can be carried forward to future seasons/sessions. “Packages,” although cheaper, can only be bought through Sept 13, they do expire at the end of the season, and do not carry forward. Do not “over-buy” the packages, and consider purchasing coupon books (that do carry-forward to winter/spring) later in the season if you happen to run out of credits during the last week. Please use the Scheduling Worksheet to guide your decision on package purchase.
- ▶ Online Payment through EntryEeze, sessions may be purchased online up to the start of the session if not full
*Maximum participants may be adjusted based on Board and Monitor Approval, 16 skaters on North Rink as of 8/5/21
- ▶ “City Free” Freestyle sessions are available through purchase online at: chparks.com The link is also accessible through our club website: pavilionfsc.com City freestyle ice is \$14/hr, and the session purchase QR code will be texted to you that you will scan at the front desk. Sessions are on the website, and will tentatively be on some weekdays 2:45-3:45pm and also on some Fridays 3:45-5:45pm. See the CH Parks website for schedule details.
