**Recommendations: Purchase a package LESS than what you may use, then purchase 10-packs later this summer as needed, which carry forward.**

**Before you purchase the package, check your existing coupon credits in your cart! You must "check out" and then "purchase" these for \$0.00 for them to be applied to your bank.**

**\*To Purchase 144 or More Sessions or the Unlimited Package, Please Text Brian Sapola 440-241-1128 Before Purchase**

**Once packages are purchased, you must then schedule your available session credits in order to reserve your spot on the session. Sessions do fill up, so please reserve early!**

**You may move session credits PRIOR TO ICE SESSION START TIME. You may de-select and reschedule or treat as "Make-up" by de-select and "bank" the session.**

**(If you do not use the banked "make-ups" you will lose these unused credits from the packages in August, but not unused coupons).**

**It is your responsibility to remove yourself from a session if you do not plan on skating on it! If you do not re-schedule or remove and "bank" the credit, you will lose the credit.**

**If you have questions or need advice on how to apply credits, or if you have any other issues or require help, please contact Brian Sapola at 440-241-1128.**
